Notice

The Lynchburg Flying Service Incorporated is sending their large Stinson Cabin Plane to Appomattox Saturday and Sunday for the purpose of giving this City a chance to see their town from the air. The plane will be flown by Mac Ferguson, a transport pilot with hundreds of flying hours. Pilot Clark is bringing with him a jump of 27,000 feet to his credit. He has made 429 jumps today and has been jumping since 1918. His first jump was made during the late war from an observation balloon which was shot down near Chattanooga, France. Lieut. Mettee will make several jumps at the field on Saturday and Sunday. During one of his jumps he will open two parachutes at the same time. The plane will take up passengers for rides at the price of \$1.50 per passenger, get off the earth and fly with the boys Saturday and Sunday.

AT
30

WHY are so many women old at 30? Their faces lined, their backs bent over—why? They take all the drudgery of housework as a necessity. It isn't! Electricity will do your housework for a few cents a day.

Don't let your face lose its youthfulness bending over a hot stove. Cook electrically, and stay young. An electric range gives you a cool kitchen. It cooks quicker. Its automatic control saves your time and your temper. There's no soot or smoke as there is from every other fuel.

You can be sure of instant heat in the top burners—the ones you use most. And for roasting and baking, there is even regulated heat.

See the beautiful new electric ranges today! Prices are lower than ever before. You can have an electric range installed for as little as \$6.38 per month.

Don't suffer over a hot stove this summer. Use electricity. Stay young!
